

# FLEXCLIP GO™

MOUNTING CLIPS FOR WIRELESS GO

The FlexClip GO is a set of three clips for the Wireless GO and Wireless GO II that allow for maximum versatility when mounting a transmitter onto talent and other objects. It includes the MagClip GO, CrossClip and VampireClip.

**Includes:**

- MagClip GO for easy mounting of the transmitter onto clothing or magnetic surfaces
- CrossClip allows the transmitter to be discreetly mounted vertically in either orientation
- VampireClip can be used to attach the transmitter to clothing or fabric using the integrated double-tooth pin

**MAGCLIP GO Clip**

**MAGCLIP GO Magnet**
