

SmallRig

One-Touch Deploy Selfie Stick Tripod ST30 Lite

Operating Instruction

- For user safety and to prevent damage to the product from improper use, please read the "Important Notice" in this manual carefully before use and keep the manual properly for easy reference.

Foreword

- Thank you for purchasing SmallRig's product.

Important Notice

- Please read this manual carefully.
- Please avoid dropping the product or exposing it to strong impacts.

Product Description

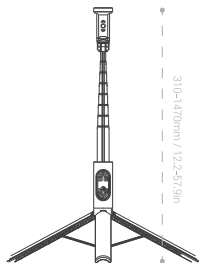

Introducing SmallRig ST30 Lite One-Touch Deploy Selfie Stick Tripod, featuring stepless length adjustment from 31 to 147cm (12.2 to 57.9in) to accommodate diverse shooting needs. Its distinctive bottom tripod design enables swift one-touch deployment, ensuring exceptional stability on any surface for professional-grade shooting. The phone holder is compatible with most smartphones, accommodating widths of 40-100mm (1.6-3.9in). It offers adjustable angles, including a 180° tilt and 360° orientation rotation, allowing for shots from various perspectives. For enhanced versatility, the built-in cold shoe mount facilitates the attachment of video lights, microphones, and other accessories. Additionally, it includes a wireless remote control for seamless operation from distances of up to 10 meters (32.8 feet). Engineered for portability and featuring an integrated storage solution, the SmallRig ST30 Lite is the ideal companion for photographers and videographers seeking professional results.

Product Introduction

- * Stepless Height Adjustment:
310-1470mm / 12.2-57.9in

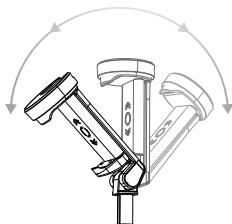

Product Functions

1. One-Touch Deployment

- * To deploy the tripod, first pull the phone holder upward. Then, drop the selfie stick from about 10cm / 3.9in high to auto-deploy the tripod.

2. Phone Holder Angle Adjustment

- * The phone holder allows for 360° axial rotation and 180° tilt, enabling a seamless transition between vertical and horizontal setups without the need to remove the phone.

3. Built-in Cold Shoe Mount

- * For attaching accessories like video lights and microphones.

4. Recharging Remote Control

- * Please use the USB-C Charging Cable to charge the remote control.

Service & Warranty

Please keep your original receipt and guarantee card. Be sure the dealer has written on it the date of purchase and SN of the product. These are required for warranty service.

After-sale Warranty Terms

SmallRig products are entitled to warranty services as of the date of payment.

- Electronic products (except V mount battery): 1-year warranty.
 - V mount battery: 2-year warranty.
 - Non-electronic products: 2-year warranty.
- Note: In case of any conflict between our warranty period policy and applicable laws and regulations of the country / region where the products are sold, the latter shall prevail.

This Warranty Does Not Cover

1. If users fail to adhere to the "Operating Instruction" or any "Warnings" stated in the user manual, resulting in a quality failure, it falls outside the scope of warranty coverage.

2. The product identification or SN label is removed or defaced in any way.
3. Product damage caused by problems not attributable to the quality of the products such as improper use of the products.
4. Product damage caused by unauthorized modification, disassembly, repair and other acts.
5. Product damage caused by fires, floods, lightning and other force majeure factors.

Warranty Mode

• For the products within the scope of warranty, SmallRig will repair or replace them on the basis of specific failures; the repaired / replaced products / parts are entitled to the remaining part of the original warranty period.

Contact Information

- You're advised to contact the online customer service personnel of corresponding shopping platform and submit a repair service application.
 - You may also apply for repair service through SmallRig's service email.
- Service Email: support@smallrig.com
